

## Code Of Ethics

***This Corporation and all members will conduct business according to the following Code of Ethics;***

All persons engaged in the development, research, manufacture, distribution, marketing, and all sales of homeopathic drug products owe a special duty to the public seeking alleviation of suffering, restoration of health and protection against disease. Physicians, pharmacists, patients and consumers depend upon our integrity to provide them with safe, reliable, and efficacious products, correct and honest information and dedicated, sincere, and professional service.

Members have the responsibility to uphold the spirit and intent of the following;

1. Members support the Principle of Similars, the primary foundation of homeopathy.
2. Members support the manufacture, distribution, marketing, and sales according to all applicable regulations and guidelines, including but not limited to the HPRS, CFR/CPG's, FDA's GMP's and labeling requirements, worker safety, and environmental requirements.
3. Members concur to maintain a level of professional competence by promoting training and education to stay current with regulations and industry requirements.
4. Members concur to respect the values of competitors, recognizing differences of viewpoint or philosophy, when consistent under regulations.
5. Members act with honesty, integrity, and sincerity in all professional relationships.
6. Members concur to manufacture, distribute, market and sell only those homeopathic drug products that uphold the reputation, integrity, and growth of homeopathy in the United States.
7. Members agree to conduct marketing activities using accurate information and fair balance.

in the practice of  
homeopathic pharmacy,  
manufacturing,  
and distribution”***

## Who We Are

Founded in 1923, AAHP is a nonprofit 501(c)(3) corporation comprised of pharmacists, manufacturers, distributors and marketers of homeopathic medicines in the United States.

## What We Do

- ◆ Keep membership apprised of legal and regulatory matters. Support and monitor research on homeopathic medicines.
- ◆ Maintain a website to communicate to our membership and the public ([www.homeopathyresource.org](http://www.homeopathyresource.org)).

## Benefits Of Membership

- ◆ Receive our regular newsletter, *Network News*.
- ◆ Provide eclectic “Compliance through Education” (CE) Programs.
- ◆ Network with at least 80% of the homeopathic manufacturing and sales market.
- ◆ Present a unified voice to the FDA, BATF, FTC, and other regulatory bodies.

## Time Commitment

The General Membership meets semiannually, usually in March and October. The Board of Directors meets monthly. Committees meet on an as-needed basis as determined by the chairperson.

## Membership

There are several opportunities for membership:

- ◆ **Full Member** includes companies that operate a facility in the U.S. for homeopathic medicines (maintain a current FDA Establishment Registration Number) and manufacture, market, or distribute homeopathic products in the U.S.
- ◆ **Associate Member** includes companies that do not meet the qualifications of a Full Member, but are actively involved in the manufacture, re-packaging or distribution of homeopathic drugs by providing goods/services to Full Members.
- ◆ **Individual Member** includes people who possess a knowledge of homeopathy as it relates to manufacturing, distributing, marketing or selling homeopathic drugs, however do not have ties to a member-eligible firm (unless that firm is already represented as a member by another person).

## Dues

- ◆ **Full Member** (based on self-reported annual sales)

SALES LEVEL (\$)	DUES (\$)
>5,000,000	7,000
3,000,000-5,000,000	5,250
1,000,000-3,000,000	3,500
<1,000,000	1,750

- ◆ **Associate Member**..... 500

- ◆ **Individual Member** ..... 100

## Mission Statement

*The mission of AAHP, an alliance of homeopathic manufactures, pharmacists, and other qualified parties is to serve the homeopathic community by:*

*Promoting excellence in the practice of homeopathic pharmacy, manufacturing, and distribution by supporting the requirements, criteria, and published guidelines in the HPRS, CPG, CFR, and other applicable regulations.*

*Providing opportunities for market development and market growth by promoting homeopathy to consumers.*

*Maintaining an appropriate regulatory and legislative climate with governmental bodies to promote positive relations, beneficial legislation and the prestige of the industry.*

*Providing outreach through education, public relations and research support.*

*Promoting efforts in building a coalition with all interested and qualified parties within the homeopathic community.*
